If you have selected in-person learning, face coverings are required unless there is “a medical or mental health condition, or disability, documented in accordance with Section 504 of the Rehabilitation Act or IDEA, that precludes the wearing of a face covering in school.” The full guidance from the Department of Health and Department of Education may be found here:

If your child has a documented medical/mental health condition or disability and you are requesting an exemption from wearing a face covering, please forward the requests from a treating physician to Mrs. Dana Blair at the District Office.
